DEALER STAMP

altigreen.com

A first in the world of EVs

Charge from 0 to 100% in just 15 minutes.

15 MINUTES FULL CHARGE

Extensive warranty

Vehicle warranty: 5 years / 1 lakh km
Battery warranty: 1.5 lakh km
(Whichever is earlier)

Enroute charging possible through e^pump

100+ charging network available for fast charging
(point of charge - every 2 km)*
*Under installation.

Range

98km in a single charge (ARAI-certified)

Both on-the-go and at home:

Possible to charge through both e^pump option and regular 220V/16A socket

Technology that triumphs

Better performance, longer battery life

Its liquid cool battery pack enhances both the performance and life of the battery.

Multiple shift delivery with ease

Its charger + battery integrated system charges 0 to 100% in 15 minutes.
More charge means more deliveries.

Fast charging = More uptime = More earnings

- ⚡ No charging set up required
- ⚡ Increased uptime, increased earning
- ⚡ Multiple shifts for deliveries possible
- ⚡ Freedom from long charging queues
